## TOWN WARRANT

---

### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Mason in the County of Hillsborough, in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Town Hall in said Mason on Tuesday, the tenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To choose one trustee of the Boynton Common School Fund.
4. To choose one trustee of the Stearns Common School Bequest.
5. To choose one trustee of cemeteries for three years.
6. To choose one trustee for Mason Public Library for three years.
7. To see what sum of money the town will raise and appropriate for repairs of highways and bridges.
8. To see what sum of money the town will raise and appropriate for library purposes.
9. To see what sum of money the town will raise and appropriate for care of cemeteries.
10. To see if the town will vote to accept the provisions

of the state law necessary to receive the benefit of the state aid for permanent improvement of highways.

11. To see what sum of money the town will raise and appropriate for Memorial purposes.

12. To see if the town will authorize the selectmen to borrow money in anticipation of taxes.

13. To see if the town will vote to use the Australian ballot system at future town elections.

14. To see if the town will vote to purchase two snow plows and raise and make an appropriation for the same, or in lieu therefor make some provisions toward breaking winter roads.

15. To see if the town will raise and appropriate the sum of \$200.00 for white pine blister rust control to be spent in co-operation with the State Forestry Department.

16. To see if the town will vote to go fifty-fifty with the state to finish the state road to the Townsend line, and authorize the selectmen to bond the Town for the necessary monies to complete the same.

17. To see if the town will vote to make any discount on taxes if paid on or before June 6, 1931.

18. To see if the town will vote to observe "Old Home Day" and raise and make an appropriation for the same.

19. To see if the town will raise and appropriate a sum of money for street lighting.

20. To see if the town will vote to purchase an amount of snow fence and raise and make an appropriation for the same.

21. To hear reports of agents, auditors, committees and officers heretofore chosen and pass any vote relating thereto.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty one.

## REPORT OF SUPERINTENDENT OF SCHOOLS

*To the School Board and Citizens of Mason:*

I submit my eighth annual report as Superintendent of Schools.

### SCHOOL ORGANIZATION

The Mason schools opened last September with the same corp of teachers as in the preceding year. The special work in drawing has been continued. We have returned to the former practice of engaging a music teacher in common with the other five towns in the Supervisory Union and secured Miss Anna G. Smith of Keene for this position. She is a graduate of the three-year music supervisory course at Keene Normal School.

The statistical tables following this report show very little change in school enrollment but an improvement in regularity of attendance and a satisfactory record for tardiness.

### SUPERVISION

The testing program described in my last two annual reports has been conducted along the same lines. In addition to this the teachers are using standard tests and informal tests as checks upon their own work to an increasing extent. These teachers' tests serve two purposes. They give the teacher definite data with which to check her own record of daily work on which to base the periodical reports of each pupil's standing to the parents. They also indicate to the teacher those items of her teaching which need further emphasis or re-teaching.

### PROGRAM OF STUDIES

The Program of Studies for Grades One to Six in the elementary schools was revised during the year 1930 by committees of Superintendents and teachers in the state and

edited by the staff of the State Board of Education. This was a very complete revision and makes up a book of nearly five-hundred pages covering all of the subjects taught these grades in considerable detail. A chapter is devoted to each subject stating the objectives, describing teaching processes, and outlining the subject matter in minute detail for the guidance of the teachers.

The most extensive revision was made in the subject of arithmetic and conforms to the conclusions of common practice and of research in the teaching of arithmetic. The chief departure from the former program is in making first grade arithmetic incidental rather than formal, that is no definite attempt is to be made in the first grade to teach the combinations in either addition or multiplication.

The chapter on reading has been enlarged and extended with very definite and helpful suggestions for the teaching of silent reading throughout grades four, five and six. The chapters on drawing and music have been made very concrete and definite. The same is true of the chapters devoted to health and physical education. There are also two chapters on the special problems of the rural school.

#### MEDICAL INSPECTION

The medical inspection was made in September by Dr. Pease and Mrs. Gilbert with the following results:

Number of pupils examined .....	51
Number absent .....	1
Defective teeth .....	34
Diseased tonsils .....	6
Unvaccinated .....	2

The vision tests have not yet been completed.

Following the decision of last March meeting the nurse carried through the follow-up program which she outlined at that time. Similar work is contemplated for this year.

## FINANCES

The budget prepared for the coming year is presented in a simplified form. It does not show material change from last year except as follows: the item for insurance is omitted because no insurance policy will come due; the estimate for high school tuitions is increased with the expectation that there will be at least three more pupils attending high school next year than at present and also because the tuition rate at Appleton Academy is to be increased from \$70 per year to \$90. The balance carried forward last year was so large that one thousand dollars (\$1,000) was used in last years' budget to reduce the amount necessary to be appropriated, consequently the balance carried forward this year will not be so large and we cannot plan to reduce the appropriation very much by this means.

## CONCLUSION

I find the work of the Mason schools progressing satisfactorily and I attribute this not only to the effective work of the teachers but to the interest and support of the School Board and citizens of the town.

Respectfully submitted,

VERNON S. AMES,  
*Superintendent of Schools.*
